Note: A deposit of \$500.00 will not be required upon approval. West Coast Lagotto only requires a deposit after the litter is confirmed by Ultrasound and only at such a time as we are confident we have the right puppy for you.

We will require the deposit when the pups are approximately 10 days old. Once the deposit has been paid it is non-refundable. This deposit will hold a puppy for you and is not the actual purchase contract for a specific pup. The purchase price for a pup is \$4000.00 CA plus applicable taxes (\$3500.00 USD), with a spay/neuter agreement and negotiable for Show/Breed quality pups. Your deposit will be applied to the purchase price.
